You
Thin?
Pale?

All run down, easily tired, nervous? And do not know what to take? Then go direct to your doctor. Ask his opinion of Ayer's Sarsaparilla. It contains no alcohol, no stimulation, and is a blood purifier, a nerve tonic, a strong alternative, an aid to digestion. Ask your doctor about Ayer's non-alcoholic Sarsaparilla as a strong tonic for the weak.

MARINE DEFEATS THE CRACK BUFFALO TEAM

A fast and exciting game of baseball was played at Atlatle park yesterday afternoon between the players from the cruiser Buffalo and the marine team of the big league, the result being a victory for the men from Camp V by a 6-2 score.

Good clean ball was played by both teams the Marines playing much better than they have for some time. Peyton pitched a good game striking out sixteen men and only allowing three to reach first by the base on ball route.

Big League Scores Yesterday.
The baseball scores in the big league and leagues yesterday results as follows:

Nationals—New York 3, Pittsburgh 5, St. Louis 6; Boston 8, St. Louis 5; Boston 8, St. Louis 1; Brooklyn 6, Chicago 14; Brooklyn 9, Chicago 1. Other games postponed.

American—St. Louis 4, Boston 7; St. Louis 4, Boston 3; St. Louis 2, Boston 1; Chicago 4, New York 6; Chicago 1, New York 5; Detroit 3, Washington 6; Cleveland 2, Philadelphia 5; Washington 6, Detroit 4; Chicago 3, New York 7.

THIRD GAME IN
SERIES TOMORROW.

At three o'clock tomorrow afternoon at Moanalua, the third polo game in the inter-island series will be played between the Cavalry and Oahu teams. Judging from the form shown by both teams in their previous games this year, tomorrow's game should be a close one with odds possibly a little in favor of the Oahu four. The same players who have played in the other games this year will be seen in the game tomorrow.

Both teams are anxious to win tomorrow as they each have lost a game to Kauai which has managed to win each game by a close score.

On Saturday the largest crowd of the series is expected to be on hand to see Maui and Kauai fight it out for the honors. The Maui team will arrive on the Claidine tomorrow so as to get some needed practice before the game.

Maui is considered to have the best team of the four, although a good many feel that Kauai will win by a close score over the men from the Valley Isle.

MADISON WINS
FROM DE MELLO.

Ben De Mello, the crack boxer of Hilo, was easily and decisively defeated by Ed Madison of San Francisco on Saturday night in the eighth round of their scheduled fifteen round bout.

Madison led on points during the entire fight, the decision coming by the knockout route after the best bout ever seen in the "ratty city".

Madison will return on the Mauna Kea on Saturday.

WILL MEET TO
ARRANGE DETAILS.

A committee consisting of A. M. Nowell, F. E. Steere, A. L. Castle and William Thompson will meet sometime this week to arrange details etc. for the opening tennis matches for the Hall cup.

According to the deed of gift, the cup must be competed for semi-annually until it is won three times by the same person. The tournament is open to every tennis player of the city regardless of club membership.

The first match for the new cup will probably be played some time the early part of September.

FORREST WILL RACE SILVA.

Joe Forrest, the undefeated roller skater of Hawaii at any distance has accepted Philip Silva's challenge for a race over any distance and for any purse that is within reason.

In addition to his willingness to race, Forrest states that he will give Silva a handicap of half a lap a mile. Silva wants three weeks to train but Forrest wants the race next Sunday. Arrangements will probably be made some time today for the race, providing that both men can come to terms.

CORNELL TALKS
ABOUT JEFFRIES.

SAN FRANCISCO, Aug. 4.—That James J. Jeffries was doped, probably with an East Indian drug is the opinion of Roger Cornell, the veteran trainer who had charge of the rubbing room at the ex-champion's camp.

"I for one think that Jeffries was given an East Indian drug," said Cornell, discussing Jeffries' sudden reversal of form just before the big battle. "And I think it was given to him on the Saturday night before the fight. On Saturday afternoon Jeffries went fishing and did not return until 10 o'clock. He wouldn't take any of his

Hollier for the sailors waited one and struck out five.

At the beginning of the ninth inning the score stood 3-2 in favor of the Marines, but Slorp's two bagger scored Sinclair and Kinnel, while Slorp scored himself on Winslow's error at first on Williams' hit.

The Buffalos were a surprise to the big leaguers by their team work and hitting. Another game will probably be played before the ship leaves for Manila on Saturday.

trainers with him, but always took a lot of friends, and you know what that means.

"Jeffries was not doped eight days before the fight as he says, for I would have noticed it for I was watching him very closely. I will say that I noticed the change Sunday morning and more so on Monday noon, when I became absolutely convinced that Jeffries was a wreck. He acted like a child, doing everything I told him, something he would never do before without an argument."

"Corbett, Choyinski and the rest of them would have been of great assistance to Jeffries, but they seemed to be afraid that if they said anything, the big fellow would do exactly the opposite. If they had been allowed to handle his training outside the rubbing room he would not have been drugged if he was drugged."

Cornell said there was no truth in statements made by Bob Armstrong, one of Jeffries' camp followers, that there was discord in the "rubbing room," because there were too many bosses. Cornell said he was boss of the rubbing room after he went to Rodwardennan.

FALLS SIX HUNDRED FEET IN AEROPLANE

BRUSSELS, August 3.—Nicholas Kinet, the Belgian aviator, was instantly killed by a fall this afternoon. Only three weeks ago his cousin, Daniel, one of the best known of the foreign aeronauts, was killed in a similar manner at Ghent. Nicholas Kinet was flying at a height of about 650 feet, when he became caught in a squall. A rear wire of his biplane snapped, and, becoming entangled in the motor, stopped the engine with a suddenness that turned the aeroplane on its side. The machine crashed to the ground, and Kinet was crushed under it.

His wife and brother were among the witnesses of the accident, and rushed upon the field. The wife fell unconscious beside the body, while the brother, in a fit of grief, threw himself upon the machine.
